Dear Friends,

On Friday, October 25th, 2019, The Superhero Center for Autism will be hosting our third annual Masquerade Ball, which will be held at the Radisson Hotel and Conference Center in Rockford, Illinois. For the past two years, we have had over 200 people in attendance. This year, our goal is to have 300 people in attendance to enjoy a night of dinner and dancing to benefit The Superhero Center for Autism. We have received amazing community support thus far, and we look forward to celebrating our success while raising funds for our newly opened center.

The Superhero Center for Autism is a 501(c)(3) nonprofit organization established in the Rockford, Illinois area. Our goal is to provide support, education, and resources to individuals with autism or other special needs and their families. With our network of support, we have opened a center in Loves Park, IL. Currently, we have nearly one hundred families registered to enjoy the benefits our center has to offer. The Superhero Center provides support for our families, community activities for our superheroes, and most importantly, we have created a judgement-free place for everyone with special needs and their families to shine.

This will be our biggest fundraising event of the year, and we would love for you to be a part of it. We are looking for supporters to provide a donation for the night of the ball. We will be holding a silent auction and grub grab and are in need of gift baskets and restaurant gift cards to help with our fundraising efforts. All funds raised through these activities will be used towards opening this one of a kind community center to serve the superheroes and their families in our area.

Please contact me or the committee member that contacted you if you would like to make a contribution. Any donation would be greatly appreciated in helping make our masquerade ball a huge success. If possible, please have donations submitted by October 1st. We would be happy to make arrangements to pick up any donations, if necessary.

Thank you so much for your consideration and generosity.

Sincerely,

Jamie Dornink
President
The Superhero Center for Autism
