Dear Friends,

On Friday, October 25th, 2019, The Superhero Center for Autism will be hosting our third annual Masquerade Ball, which will be held at the Radisson Hotel and Conference Center in Rockford, Illinois. For the past two years, we have had over 200 people in attendance. This year, our goal is to have 300 people in attendance to enjoy a night of dinner and dancing to benefit The Superhero Center for Autism. We have received amazing community support thus far, and we look forward to celebrating our success while raising funds for our newly opened center.

The Superhero Center for Autism is a 501(c)(3) nonprofit organization established in the Rockford, Illinois area. Our goal is to provide support, education, and resources to individuals with autism or other special needs and their families. With our network of support, we have opened a center in Loves Park, IL. Currently, we have nearly one hundred families registered to enjoy the benefits our center has to offer. The Superhero Center provides support for our families, community activities for our superheroes, and most importantly, we have created a judgement-free place for everyone with special needs and their families to shine.

This will be our biggest fundraiser event of the year, and we would love for you to be a part of it. We are looking for supporters to provide the gift of monetary sponsorships to help offset the costs of this event and to make this event a successful fundraiser for The Superhero Center. All proceeds raised will go directly to this one of a kind location and programs designed to benefit individuals with special needs and their families.

Please contact me or another member of the committee if you would like to be a sponsor of the ball. Any donation would be greatly appreciated in helping make our masquerade ball a continued success. Sponsorships need to be submitted no later than September 1st.

Thank you so much for your consideration and generosity.

Sincerely,

Jamie Dornink
President
The Superhero Center for Autism
